**Form for the proof of the required academic achievements for applicants
with a first professional degree for the study program Master of Digital Entrepreneurship¹**

Last name, first name: Applicant No.:

I have completed the following courses in two of the subject areas Social sciences, Economic sciences, Law, Technical sciences / Computer sciences or related subjects, respectively, within my first professional degree program:²

Subject Area	Title of the Module	ECTS-Credits ³	No. in your certificate ⁴	Processing Comment

§ 3 Paragraph 1 lit. a) 2nd sentence: If appropriate proof of knowledge is provided in only one of the above-mentioned subject areas, preliminary admission can be granted if the remaining admission requirements are met and on condition that study and exam performances or equivalent achievements totaling 10 ECTS credits in one other subject area are rendered by the start of the third semester.

This form must be attached to your application materials.

.....
Date, Signature Applicant

Processing comment of the Admission Board

Proof of the required study and examination achievements in accordance with § 3 Paragraph 1 lit. a) Statutory order for the admission and registration for the academic course of Master of Digital Entrepreneurship has been provided:

yes no

.....
Stamp, date, signature of the chairperson of the Admission Board

¹ §3 of the Statutory order for the admission and registration for the academic course of Master of Digital Entrepreneurship applies.
² cf. § 3 Paragraph 1 lit. a) Statutory order for the admission and registration for the academic course of Master of Digital Entrepreneurship. The proof of the required study achievements does not mean a confirmation of a study place at the same time.
³ If your university does not use the ECTS system, simply use your local credit point system. We will convert the credit points into the ECTS system.
⁴ Please number the corresponding academic achievements consecutively, such as 1, 2, 3, ... etc., in your transcript or in your overview of achievements with the preliminary average grade. Indicate the number of each achievement you fill in the table.
